      - Looking for more communication
      - Anne would like GEAC to be an important player in the task force
  - Wade Davis- question about infinity group
    - Task force or infinity group and what is the difference
    - Glen- World Languages have started a group – faculty led initiative
      - Working like the school of communication
      - Adrianna talked about this and how the task force and the WL faculty group are able to actually work together and not start from scratch
        - In charge of curriculum- which is owned by the faculty
    - Bobby- two groups
      - University wide task force with bargaining units
    - The two groups were discussed and the differences
  - Mohammad – curriculum is only one part of the School of Global Education
  - Agnes- brought up the concern and discussion about ownership

## Two Perspective University Partners

- Meiji Gakuin University and Tokai University Japan
- Both exchange
- Meiji Gakuin University (MGU)
  - Already have a great relationship with CELP
  - They send 15-20 per semester
    - Participate in COB classes
    - And COB student groups
  - Would like their students to take classes for a full AY – specifically with the COB
  - Start this officially in fall 2021
  - Agreement will include an outbound component
    - Up to two students can come on a tuition waiver
    - Any additional would be on fee paying
    - If there is an imbalance- they will be fee paying
    - Not many English Course
  - Approved by GEAC
- Tokai University
  - Reached out to us before recruitment trip to Japan with Dan and Glen – through good word of mouth
  - IR, Poli Science – SBS
  - They are creating a new school of International Studies
    - They have 90 students in this currently each year. It is looking at expanding to 200.
    - There is a study abroad component to this
  - They will be sending students for 4 weeks within IEP this fall (5 to 10 students)
  - Great option for outbound students – lots of classes in English
  - Approved by GEAC
- CELP is working on creating more connections with SBS

## Faculty- Led Program Site-Visit Funding Award Applications

- Main change is that funding is based on current IFO status and standing
- Instead of January 1 and June 30
  - Last Friday in October and last Friday in March
- How funds are provided back to faculty for their travel costs
- Reporting: Should it continued to be asked?
  - Everyone agrees- YES
- Erica – gave a brief explanation of an updated FLP proposal process proposition

Ways to find ways to connect more intl with faculty

It would be great for different departments to know the demographics of their students

Connect faculty with FLPs
