AGRIBUSINESS & FOOD INNOVATION

The AgriBusiness and Food Innovation (AFI) program opens doors to careers in one of the nation's largest industries. The AFI program develops students' innovation skills within the agriculture and food industries as well as knowledge of the business creation process.

PROGRAMS

DEGREES AND CERTIFICATES

- Bachelor of Science in Agribusiness & Food Innovation
- Minor in Agribusiness & Food Innovation
- Options within the Major: Accounting, Entrepreneurship, Finance, International Business, Marketing, Supply Chain

ABOUT THE PROGRAM

The program prepares students to be the leaders of tomorrow by engaging in applied learning and developing leadership skills in the agribusiness and food realm. The Henze Ag Innovators program is open to Agribusiness students interested in exploring agribusiness and food careers as well as developing leadership skills. The program is both fall and spring semesters with tours and training.
