

INTERCOLLEGIATE ATHLETICS

The Minnesota State University athletic program sponsors eighteen NCAA Division II programs competing in the Northern Sun Intercollegiate Conference (NSIC) and two NCAA Division I programs, competing in men's hockey in the Central Collegiate Hockey Association (CCHA) and in women's hockey in the Western Collegiate Hockey Association (WCHA).

The Department of Intercollegiate Athletics at Minnesota State University seeks to further the institution's mission by combining knowledge and passion for a comprehensive and highly competitive athletic program that benefits our student-athletes, the student body, our community and the University as a whole.
