

2023-2024 Information About Other Loan Options

In addition to Federal Direct loan awards, students may have eligibility for Other Loan Options to meet their Cost of Attendance (COA). While these loans may be requested up to the COA limit, it is important to borrow the minimum needed. A complete valid Free Application for Federal Student Aid (FAFSA) must be on file and aid awarded prior to the processing of student and parent loans. The FAFSA can be completed online at: <https://studentaid.gov/h/apply-for-aid/fafsa>

FEDERAL PARENT LOAN FOR UNDERGRADUATE STUDENTS (PLUS)

The Federal Direct PLUS Loan provides loans to parents of dependent undergraduate students attending college. The parent is the borrower of the Direct PLUS Loan and is responsible for repaying the loan. The Direct PLUS Loan interest rate is fixed at 8.05% as of 07/01/2023 for the 2023-2024 school year.

For Federal Direct PLUS Loan, an eligible parent-borrower must:

- > Be the biological or adoptive parent of the student, or a step-parent whose information was included on the student's FAFSA,
- > Be a U.S. citizen or eligible non-citizen,
- > Be borrowing on behalf of a dependent student who meets all of the requirements for the Federal Direct Loan Program,
- > Have a creditworthy history, and
- > Not be in default or owe a refund on any Title IV Federal Student Aid.

To apply for a Federal Direct PLUS Loan, go to the Federal Student Aid site, <https://studentaid.gov>. Select the Parent Tab. Under the Popular Topics list select Apply for a Parent PLUS Loan, then click on the Log In To Start button.

- > Parent-borrower logs in with FSA ID (username and password). If the parent does not have a FSA ID, one can be created by selecting the Create an Account button.
- > Provide the required information to complete your application, through the Credit Check & Submit step.
 - The Credit Balance Option allows payment of loan funds not needed for the student's bill to be directed to either the parent-borrower or the student. Note that selecting payment to parent-borrower will require additional processing time.
- > Complete a Direct PLUS Loan Master Promissory Note (PLUS MPN for Parents). The Parent PLUS Master Promissory Note (MPN) is valid for up to ten years, provided that the parent borrows within one year after signing.

If the parent-borrower is applying for Federal Direct PLUS Loan funds for more than one student, a separate Direct PLUS Loan Application and PLUS Loan MPN are needed.

Dependent students whose parents are denied the PLUS Loan may be eligible to receive additional funds from the Unsubsidized Federal Direct Loan Program. A denial notice from the Department of Education will be provided to the school; at that time, the eligibility for additional Unsubsidized Federal Direct Loan funds will be determined and processed according to the the student's written request submitted to the Campus Hub.

A completed and valid **FAFSA** must be on file and aid must be awarded. There are limited exceptions to the FAFSA requirement; these students must meet with a financial aid advisor for approval before the private loan application will be processed.
