Student Tech Guide

 MINNESOTA STATE UNIVERSITY, MANKATO
IT SOLUTIONS

Welcome! As a student at Minnesota State University, Mankato, you have access to many free software and services to enhance your campus experience! Plus, get tech help when you need it. We're here for support online, over the phone, or in-person.

FREE SOFTWARE

Find tech tools, support, & more online at mnsu.edu/its.

MICROSOFT 365

Cloud file storage, notes, & more

Available on the web and for download.

Includes **Word, Excel, Outlook, OneNote, PowerPoint, OneDrive** cloud file storage, and much more! Mobile apps are available too.

Log in using **YourStarID@go.minnstate.edu** and your StarID password.

CLOUD FILE STORAGE

Microsoft OneDrive

Sync your files to the cloud and access them anywhere on any device. **Share documents and collaborate in real-time!**

Access OneDrive through **Microsoft 365**.

EDUROAM

Official campus Wi-Fi

eduroam is our **fast and secure Wi-Fi** across campus for all devices, like laptops and smartphones. Automatically connect to eduroam at any participating college or university worldwide. Get set up at wifi.mnsu.edu.

Living on campus? Use the MyResNet network while in the Residence Communities.

ADOBE CREATIVE CLOUD

And other specialty software

Use computer labs on campus to access Adobe Creative Cloud, including **Photoshop, Illustrator, and InDesign**. We also provide STEM software, like Maple 15 and StatTransfer 11, on campus computers and through MavAPPS and MavLABS.

LINKEDIN LEARNING

Online video tutorials

LinkedIn Learning is an online learning platform that helps you learn skills in business, software, technology, design, and more. **Thousands of top-quality courses** taught by recognized industry experts!

MAV LIFE MOBILE APP

Official University mobile app

Get connected to campus! **Make friends, discover events, track buses, find resources, and more** – all in one place.

Available on the App Store and Google Play.

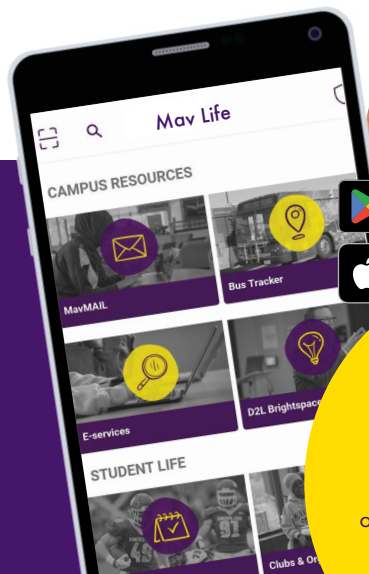

MAVPRINT

Convenient printing on campus

Print on 50+ printers throughout campus. Easily upload documents to the Mobile Print Center from any device!

Students who have paid Student Technology Fees are allocated up to \$20 of complimentary printing each semester.

GET IT ON
Google Play

Download on the
App Store

Mav Life
your campus,
your way

Many of the other **software options** mentioned above are offered in **mobile versions**, too!
