

PSEO Advising

As a PSEO student, there are **four ways** you can complete advising for Fall 2024 semester.

You only need to complete ONE but you can complete all four if you want!

Option 1: **D2L Advising**

Benefits: Complete advising on your own time by reviewing advising resources online.

Opens on: April 1st

Due by: July 21st

Intake Form

Regardless of the advising option you choose, **all PSEO students need to complete an intake form.** The intake form is an opportunity for the PSEO Office to check-in, see how your semester went, and track your progress as a PSEO student. This form will be provided either at the event or shortly afterwards.

This form will mark your advising requirement completion and it must be completed.
