[Schedule a meeting](#) with an advisor in the College of Business (COB) to ensure you are on track for program completion.

First Year – Recommended Course Offerings

(can take either fall or spring)

Class	General Education Requirement	Special notes/considerations
CIS 101: Introduction to Information Systems		
MATH 130: Finite Mathematics & Introductory Calculus	GE – 4	Placement policy – High School GPA: 3.2+ *Students who have taken MATH 121: Calculus I and earned a C or better do <i>not</i> need to take MATH 130
ECON 201: Principles of Macroeconomics	GE – 5	Consider registering for a section that has a MavPASS leader
ENG 101: Foundations of Writing & Rhetoric	GE – 1A	
COMM 100: Fundamentals of Communication OR COMM 102: Public Speaking	GE – 1B	
MRKT 100: Principles of Business Concepts	GE – 5	Please note: this is not a required business course, but the College of Business recommends this as an "Intro to Business" class. Students unsure of what area of business to go into are encouraged to take this course. This class would also help to fulfill the second class needed for GE - 5.

Second Year – Recommended Course Offerings

(priority: take these classes in the fall)

Class	General Education Requirement	Special notes/considerations
ACCT 200: Financial Accounting		*Math is a prerequisite Accounting could be taken first year if math is already taken
BUS 295: Professional Preparation for Business Careers		Must have a declared major in the College of Business to take this course It should be taken when they are finishing the requirements for the major which are CIS 101, ECON 201, MATH 130, & ACCT 200
ECON 202: Principles of Microeconomics	GE – 5	Consider registering for a section that has a MavPASS leader
ECON 207: Business Statistics	GE – 2, 4	
ACCT 210: Managerial Accounting		*ACCT 200 is a prerequisite

*The COB does not recommend taking all of your generals before starting the program. Please ensure you are working with an advisor.

Courses required for admission into the program include CIS 101, ACCT 200, MATH 130, ECON 201 & BUS 195. Students need a C or better in each of these courses and a total cumulative GPA of 2.5 or higher.
